Document: [Guidelines for Making Patron Reservations 2025](#)

Online information and scheduling: camping.churchofjesuschrist.org

"After youth groups have an opportunity to schedule camps and youth conferences, the use of the properties by other Church organizations is encouraged. Use of the properties for family reunions or other personal activities is not the purpose of recreational properties; members can reserve the camps for personal use only if there is remaining capacity available after all the needs of official Church programs are met. Non-members cannot place reservations, but they may attend Church activities or personal activities with members. Other organizations, including other churches and homeschooling groups run by members, cannot hold their own activities at Church-owned properties." (Guidelines for Making Patron Reservations 2025)

"No Church camps, sports events, or recreational events are to be scheduled on Sunday. Nor should youth groups and others travel to or from camps or youth conferences on Sunday." (Handbook 20.5.8)
